

# Situo Remote Control

## Situo RTS - Pure/Silver/Gold/Rose Gold

### Battery Replacement

Use the  screwdriver to unscrew the 1 screw on the back of the remote

Remove back cover/  
Slide down and remove  
back cover

Use the  screwdriver to slide the battery out of the batter holder

Replace with a new 3 Volt CR2430 battery, ensuring the (+) symbol is pointing away from the circuit board

### Setting the MY Position

Send the motorised product to your favourite position (press **my** button to stop)

Press for  
5 secs

Press and hold the **my** button for 5 seconds

Jog

The my position has been successfully saved

### Deleting the MY Position

Tap the **my** button and wait for the motorised product to reach its programmed my position

Press for  
5 secs

Press and hold the **my** button for 5 seconds

Jog

The my position has been successfully deleted

**Somfy Tip:** The 'my' position is not available on all motors and controllers, please contact Somfy for more information. If used in conjunction with a sun sensor, the motorised product will move to the 'My' position when sun is present
